

## **LUCKY BERLINO & the PIZZA CONNECTION**

Italian - American music from 1950

Lucky Berlino & Pizza Connection bring back the days of Frank Sinatra, and Dean Martin, with an impressive, cool Italian-American music show that's as refreshing as Italian ice... there's plenty of swing & tarantella, rumba & mambo all'italiana. It's Italiano from Brooklyn, with Buscaglione & Carosone, Chicago & Al Capone, whiskey and soda & rock'n'roll ... it's the Pizza Connection from New York!!!
